FLORAL ARRANGEMENTS

Flowers play an important part in any wedding; they set the tone for a celebration, carry your chosen theme and help create a beautiful setting. For many couples, knowing where to start when it comes to choosing your wedding flowers can be difficult so, before you head out for your first florist consultation, speak with our wedding coordinator for advice and local florist recommendations.

ROOM DRESSING

It's often the little things that make your wedding unique which is why we offer the flexibility to add your own creative touch to your day. For example why not proclaim your love in large LED lights, candlelit civil ceremony or why not add a cherry blossom arch to get married under. Just ask your wedding coordinator how we can make your day that little bit more you.
